By Duty, For Honor

St. Clair Brooks Park
145 Butler Road, Fredericksburg, VA 22405
October 26-28, 2012

The ODD Fall Camporee will be held in Fredericksburg on October 26-28 in honor of the 150h anniversary of the Fredericksburg battle. The Old Dominion District will set up camp in Fredericksburg, in fact right where Union Artillery units were stationed, and throughout the Camporee, visit the town, explore the battlefield and get to know the history of the era and area. The program will include a Patrol Challenge, reenactors, Camp of Instruction, two different hikes; one, an Historical Walking Tour of Fredericksburg and two, the Fredericksburg Battlefield. You can buy a patch for each of these hikes.

Register by **October 12, 2012** to ensure you have a camping spot. The cost is $20.00 per Scout or Adult for the entire weekend. This includes the camping fee, program supplies, council fees and a patch for each participant.

Check-in begins at 5:00 pm on Friday evening for all program levels. Events will be conducted on Saturday morning and afternoon. Half of the Troops will hike, while the remaining will participate in the activities at the campground. After lunch, the Troops will reverse so everyone will have an opportunity to participate. The Webelos will have a separate program.

The Troops will host Open houses at their sites for the Webelos to tour.

Troops are encouraged to invite Webelos over for meals in order to help them get to know the troops. Webelos leaders are encouraged to let Troops know if you will be attending the camporee.

On Sunday morning we will conduct a service project for St. Clair Brooks Park.

Important Information

When:	**October 26-27, 2012**
Where:	**St. Clair Brooks Park, 145 Butler Road, Fredericksburg, VA 22405**
How Much:	$20 per person for weekend. Hiking patch is a separate fee – rates highlighted in the Program section.

Health Forms: Everyone that attends the camporee must have Parts A and B of the Annual BSA Health and Medical Record (2011 Printing) (**http://www.scouting.org/filestore/HealthSafety/pdf/parts_ab.pdf**). All injuries requiring more than a Band-Aid must be reported to the First Aid Station.

Registration

Registration will be done on-line.

http://bit.ly/Tio6la

(Long link on page 11.) If you have any challenges with the link, please contact Steve Scherr at webmaster@oddbsa.org

Link goes live – September 1

The on-line registration information required is also included in this package. All units planning on attending should register as soon as possible. Final counts should be submitted by **October 12.** This registration information will be used to establish program plans and to assign campsite locations. Payment for the registration fees will be based on the final counts at check in on Friday night

A deposit of $5 per person will be collected during the on-line registration. Additionally, you can pay all your camporee fees on-line. Any remaining fees will be collected during the Friday night check-in period.

The costs of the patches for the Hikes are collected separately as they are turned into the sponsoring organization.

Directions to Camporee

Directions: You may want acquire driving directions by entering the park address – 145 Butler Road, Fredericksburg, VA 22405. Take I-95 South to Exit 133. This is Route 17 and Business 17. Take Business 17 SE towards Falmouth and Fredericksburg. Get in the left-hand lane. Go 1.8 miles and at the stoplight go straight. (DO NOT follow Business 17, which turns right and crosses bridge.) The park entrance is approximately 7/10th miles further on right. As you enter, parking is to the right

Parking and Traffic Control

Units are encouraged to car pool as much as possible.

Generally, all vehicles will need to be parked in the main parking lot and Scouts should expect to hike to their campsites. Units may be allowed to take one vehicle with unit gear to the campsite area for immediate offload and then back to the parking lot. Exception may be made for trailers to be left near the campsite (but off the road) over the weekend.

Campsite Assignment

For units that register before the deadline, their campsite assignment, a Camporee map, and any other relevant Camporee information will be emailed to them the weekend before the Camporee. If you don't receive one, please stop at the CAMPOREE HEADQUARTERS. You will need to get your site assignment and a map before you enter the camping area.

Checking-in and Paying Fees

After arrival, as the unit is setting up camp, one leader must go to the Camporee Headquarters to complete registration by turning in a completed registration form and paying all remaining required fees. To assist the staff, please pay with checks or money orders. These should be made payable to "NCAC BSA." ***A single check per unit is the preferred method of payment.***

Leaders Meeting

There will be a meeting for leaders (Scoutmaster or Assistant, Webelos Leader, Crew Advisor, etc) and Senior Scouts (SPL, Crew President) from each unit on Friday evening at 8:30 PM at the Camporee Headquarters or another designated area. Familiarity with this guide is expected prior to the meeting.

Late Arrival and Early Departure

If your unit is not going to arrive Friday night please indicate this on your registration form. If your unit is going to leave Saturday night, make sure you also indicate this on the registration form.

If your unit must leave on Saturday evening, please check with the Service Project Coordinator Friday evening to potentially arrange for a service project your unit can do Saturday afternoon. You may pick up your patches and ribbons after you have vacated your campsite and had a commissioner sign the checkout form. Units leaving Sunday will receive their patches after the service project concludes.

Check-Out Procedures

Each unit will receive a checkout and program evaluation form at registration (see appendix). This form is necessary for final site clearance. A commissioner will inspect each site before units leave for home and complete the site inspection portion of this form. A troop leader, preferably with input from the SPL, will complete the evaluation portion of this form. Additional copies will be available from the Camporee HQ or from the Commissioner Staff.

Emergency Contact

It is recommended that units have access to several cellular phones, which can be used as a primary contact for members of their Unit. Anyone calling other camporee contact numbers must know the individual's type of unit (Pack, Troop, Team, Crew, or Ship) and number and, if possible, the unit leader's name.

First Aid / Fire & Ambulance Service

The First Aid Station will be set up near the Headquarters area and will be marked with a prominent sign. All injuries, even minor ones treated in the campsite, must be brought to the First Aid station personnel for treatment and/or recording.

In the event that fire or ambulance services are needed, send a runner to the Camporee Headquarters or First Aid Station, so that an emergency call can be placed and the Camporee Director can be notified. If the emergency call is placed from a cellular phone within your area, you still must send a runner to the Camporee Headquarters to notify the Camporee Director of the emergency and to arrange for the emergency equipment to be directed to the correct location.

Parental Authorization

In case of serious injury or illness requiring emergency medical services or hospital treatment, a health history record and permission form signed by a parent or guardian is required. This form must be accessible to the unit adult leader/leaders at all times. If a Scout is brought to the First Aid Station for any type of treatment, his parental authorization form should be available for review by the Camporee staff. **The BSA Annual Health and Medical**

Record form and Activity Consent form can be downloaded at:

http://www.scouting.org/filestore/HealthSafety/pdf/whole.pdf

http://www.scouting.org/filestore/pdf/19-673.pdf

Religious Services

Catholic, Protestant, Jewish, and LDS services have been planned for Saturday evening. The locations of each of the Services will be announced Friday evening at the Leader's meeting.

Webelos Participation

Troops are encouraged prepare a display for the Troop Open House portion of the Camporee. From 5:00 to 5:30 pm Saturday. This is open to all packs that may be interested in learning more about the Troop.

Troops are encouraged to invite Webelos for dinner or dessert in order to help those Scouts get to know the troops.

Webelos will be participating in their own activities during the weekend

Webelos Camping Requirements

Webelos Scouts may participate in the full weekend program, camping Friday and Saturday night and departing on Sunday after closing ceremonies. Per BSA guidelines for Webelos participation in camping activities, "A Webelos scout may participate in overnight den camping when supervised by his mother or father. If a parent cannot attend, arrangements must be made by the boy's family for another youth's parent (but not the Webelos leader) or another adult relative or friend to be a substitute at the campout."

Webelos Gear

Webelos and their Leaders should wear their scout uniform for all program activities. Webelos Scouts and accompanying adults are to bring their own personal gear, including sleeping bag, tent, flashlight, campsite chair, and clothes for warm or cool, damp or wet weather. Be prepared for all types of weather! Plan accordingly for the weather. Scouts should have at least two changes of clothing, including clothes for sleeping in and extra shoes and socks. It is very important to prevent hypothermia. The basic ways to do this are:

- Keep dry (bring raincoats, ponchos, plastic trash bags).
- Change into dry clothes to sleep.
- Change out of wet clothes.
- Have extra blankets available for sleeping.
- Wear layers of clothing.

Webelos Food

All Scouts and adults need to bring their own food, and all equipment and supplies to prepare their food. The Camporee staff will not be providing food as part of the program. You will need to bring food for Friday evening (or eat before arrival), plus breakfast, lunch and dinner on Saturday, and Sunday breakfast.

Arrangements may be made to eat meals with another unit or a Troop attending the Camporee. Keep in mind that one of the Outdoorsman requirements is to: "Help cook your own lunch or supper outdoors with a parent or another adult. Clean up afterward." There are suggestions and directions in the Webelos Book about simple meals to prepare and cook on a campout.

Commissioner Service

In addition to helping with parking and assisting units in getting to their campsites Friday evening, commissioners will be available at all times during the Camporee to assist Scouts and Scouters whenever necessary. Commissioners may be found at Camporee Headquarters in the vicinity of the registration table or just look for the friendly individuals wearing purple neckerchiefs throughout the activity areas.

Camporee Campsite Inspections

During the day on Saturday, the Commissioner Staff will be conducting campsite inspections of the Troops, Teams, Crews, Ships, and Dens using the inspection form included at the end of this Camporee guide. The purpose of the inspection is to establish or remind Scouts and Scouters of a certain level of expectation for setup and maintenance of a campsite and then to recognize those units that achieves or exceeds expectations.

Inspections will be unit based, with each patrol contributing to the unit as a whole. In other words, a unit with three patrols that each exemplifies ideal campership will be adversely affected by a single patrol that fails to meet the established expectations. Ribbon wills be awarded based on the campsite inspection results, with award categories: Award of Merit and Honor, Award of Merit, and Award. Special awards may be given for the top campsites.

OA Trading Post

The Order of the Arrow, Old Dominion Chapter, will host a Trading Post in the vicinity of Camporee Headquarters. Soda, candy and other snacks will be available for purchase. This will also be the focal point for OA activities during the camporee. All OA members are encouraged to bring their sashes and stop by the trading post during the weekend.

Availability of Water

Water will be available at the campsites and many of the program areas.

Canteens should be carried during the program on Saturday. *Proper hydration is key to keeping our Scouts healthy.* To avoid the serious consequences of dehydration, ensure everyone regularly consumes water, especially as they travel to and from program areas and while in the areas. Washing of dishes at the central water location is prohibited.

Ground Fires

Open flame fires will NOT be permitted.

TITO – Trash in, Trash out

Every unit should be prepared to take any trash home with them that they bring. Bring a supply of plastic trash bags to securely bag your own trash. DO NOT leave trash in your campsite. Please keep the campground clean and do not leave bags of garbage unattended; wild animals and birds love unattended garbage. *There will be a trash dumpster in the park available for disposal of trash.*

Conduct By All Attending the Camporee

The Scout Law is the Law of the Camp at all times. A scout is: Trustworthy – Loyal – Helpful – Friendly – Courteous – Kind – Obedient – Cheerful – Thrifty – Brave – Clean – Reverent.

Any individual who does not act as he or she should, may be putting their privileges in jeopardy and jeopardizing future Camporee privileges of the Old Dominion District. Unit Leaders are reminded that their Scouts should have adult supervision at all times.

In addition all units should have a copy with them and follow the Guide to Safe Scouting.

Proper Uniform

Scouts must be in uniform in the National Park and when hiking the trails. It allows discounts and waived fees.

Scout shirt and Scout pants or Scout shorts with proper socks should be worn for the Religious Services on Saturday evening and to the campfire. Venturing Crews and Sea Scout Ships wear unit-designated uniforms. Scout shorts and Scout T-shirts are acceptable during the Saturday program. *No military garb or fatigues, including camouflage, should be worn.*

Quiet Hours

All units will be subject to quiet hours and lights out from **11:00 PM to 6:30 AM**. Leaders in each troop are responsible for enforcing quiet hours and lights out. Scouts returning after the evening program should return quietly in respect for those who are sleeping.

PROGRAM INFORMATION

BOY SCOUT PROGRAM

Overview

The theme of this Camporee is "By Duty for Honor" and we will be actually camping on part of the Fredericksburg battlefield. This is unique opportunity for your Scouts to learn about the history of this county by visiting the battlefield and gaining an understanding of the Civil War. We encourage the leaders to discuss the significant of this battle with your Scouts be-fore the Camporee. Encourage them to see the movie "Gods and Generals" or read the book. There is a wealth of material online about the Civil War and Fredericksburg. Consider having a Scout do a report on the battle and give a short presentation at one of the Troop meetings (public speaking merit badge). You should review the program options and decide which events you want to participate in before you arrive Friday evening.

Two deep leadership (adults) must accompany patrols when they leave the campground to hike the trails. NO swimming in the river.

1) Hike the City of Fredericksburg

This hike is located in downtown Freder-icksburg and is only a short walk from the camp-site. Local Boy Scout Troop 847 has laid out a hike that covers many historic sites in Fredericksburg and the battlefield. The hike is about six miles long over mostly level terrain. This activity will take about a half a day to complete. You should definitely stop at the battlefield visitor's center and view the 22-minute movie about the battle of Fredericksburg. You should also consider stopping at Goolrick's (901 Caroline), reported to offer the best milk shakes in the state of Virginia.

There will be maps and detailed instructions available on the Old Dominion Web Site and at the Headquarters Pavilion and at the Fri-day night leaders meeting. Troop 847 has developed a patch for any Scout who completes this hike. We have arranged for this unit to come to the Camporee Saturday evening to sell patches to any Scout who would like to buy one. The cost is $3.00 per patch. (This not the official camporee patch. See the Camporee Patch section that explains what a Scout must do to earn the camporee patch.)

2) Hikes of National Military Park

There are six hiking trails located in the local Spotsylvania and Fredericksburg area. These hikes vary in length from 7 miles to 0.2 miles. Some of these hikes will require a short drive to the start of the hike. Two of the hikes are within walking distance of the campsite. If a unit hikes at least two of these hikes, they can earn a patch (different from the one for the city trail.) This activity will take about a half a day to complete. These patches will also be available for sale Saturday evening at the campsite for $4 each.

The Fredericksburg Battlefield hike will take you through the National Park. There is typically a $4 fee per person. This fee is waived for all Scouts in uniform and any adults with Scouts. Be sure to stop at the National Park Visitor Center and take in the 22-minute movie on the Battle of Fredericksburg. There will be maps and detailed instructions available on the Old Dominion Web Site and at the

Headquarters Pavilion and at the Friday night leaders meeting.

3) Patrol Challenge

More information to follow in the Camporee Program Guidebook that will go out later in September .

This activity will consist of different stations where patrols will be give tasks to complete. The idea is for the patrol to learn to function as a unit, practice some Scouting skills and to have fun. The activities will include knife throwing, signaling, civil war cooking, and many others. We have designed these activities so boys of all ages will find them challenging and fun. There will be prizes for the patrols that have the overall best scores.

4) Civil War Camp of Instruction

Scouts of any age are invited to the reen-actor "Camp of Instruction" for a taste of Civil War era military basic training. This activity will take about a half a day to complete. Scouts must bring a scout stave with them. Scouts will be-come familiar with soldier uniforms, equipment and food and will receive instruction in the manual of arms, marching, battle drill, formation, etc. This event will take place both on Saturday morning and afternoon. The number of Scouts that can participate in either session limited to 30. Each troop will be allotted 2 to 5 slots de-pending on the size of the troop.

5) Service Project

There will be a service project on Sunday morning lasting about 1 ¼ hours. This will entail a cleanup of designated areas at St. Clair Brooks Park. In order to receive the third segment of the patch, a Scout MUST participate in the project.

Other Options

Our campsite is in a very convenient location to many historic battlefields. This area is known as the crossroads of the Civil War. There are four battlefields within easy driving distance of our location – Chancellorsville, Wilderness, Spotsylvania Court House and Fredericksburg. A unit could decide to spend the day visiting one or all four battlefields. A unit could choose to visit some battlefields and participate in some Camporee activities. If your unit is going to leave the campsite for a self-directed program please let the Camporee staff know before you leave.

Meet the Reenactors

Each troop is asked to provide dinner for two of the reenactors. This will be an opportunity for the Scouts to talk one on one with these guests and learn more about what it was like to be a solider during the Civil War. Two of your Scouts should arrive at the reenactors' camp between 5:15 and 5:30 PM to escort your guests back to you camp and then introduce them to the rest of the troop. Depending on the exact number of reenactors that participate in the camporee, smaller troops may only have one guest or larger troops may have more than one guest.

Camporee Patch

Each Scout will receive a camporee patch for attending the camporee. Three additional segments are available. The can be earned as follows:

Segment One – Scouts must complete the 1) Hike the City of Fredericksburg or 2) Hikes of National Military Park

Segment Two – Do one of the following:

- Participate in the 3) Patrol Challenge
- Participate in the 4) Civil War Camp of Instruction

Segment Three – Participate in the 5) Service Project

WEBELOS PROGRAM

More information to follow in the next publication.

The Webelos program will be also be based on the theme, but with more age-appropriate structure and stations.

Program information has been provided by email and instructions will be provided at the main Webelos leaders meeting Saturday morning from 8:45 – 9:00.

Adult Leaders Needed for Program

Each activity station will be "hosted", supported and staffed by Pack Leaders, Scouters, or parents coming from participating units. Packs will be assigned to preferred stations on a first come basis. All Packs that participate in the Camporee will need to have two people serving in some capacity running activity stations. The Pack volunteer staff people should be named with phone numbers and e-mail address noted on the registration form. While instructional material and some materials for running the stations will be supplied, volunteers will be requested to provide any special items that may be needed to supplement those provided. For additional information contact Donnie Bullock at 703-455-2668 or bullockdl@verizon.net

VENTURING OUT ACTIVITIES FOR CREWS, TEAMS, AND SHIPS

Venturing program to be announced.

Service Project – Good Turn for America

On Sunday from 9:15 to 11:30 we are planning on conducting a service project. More details on type of project and any specific required equipment will be provided as the camporee date approaches.

Generally, units should plan to attend the closing ceremony in work clothes, and then depart for service project assigned areas. When the service project is complete units may go home.

This service project along with providing significant assistance to the camp will also be part of BSA's involvement in the "Good Turn for America".

Webelos will not participate in the Service Project.

Campfire Program
