Units may be allowed to take one vehicle with unit gear to the campsite area for immediate offload and then back to the parking lot. Equipment trailers will be parked at the campsite (but off the road) over the weekend.

Overflow parking will be available in the Union Cemetery/ Activity Center. It is a short walk on along a path. The commissioners will provide a parking pass if necessary.

Campsite Assignment

For units that registered before the deadline, their campsite assignment, a Camporee map, and relevant Camporee information is included in this message.

Checking-in and Paying Fees

After arrival, as the unit is setting up camp, one leader must go to the Camporee Headquarters to complete registration by turning in a completed registration form and paying all remaining required fees. To assist the staff, please pay with checks or money orders. These should be made payable to "**NCAC BSA**." ***A single check per unit is the preferred method of payment.***
