If you have access to special tools or equipment, please list it here but wait for contact from the Workend Manager to see if it is needed. You can always bring hand tools, chain saws and small power tools. Any concerns or questions? Call the Head Bear (Sherm Pearsall 301-663-9116) as early as possible.

Early Registration is VERY IMPORTANT -- We need time to assign the tasks, order your food and arrange desired lodging – Thank You.
