National Capital Area Council Boy Scouts of America

2013 Summer Camp Staff Application
Camp William B. Snyder

Dear Applicant:

Thank you for considering applying to work on the Summer Camp Staff Camp William B. Snyder. A summer spent on the staff at Camp Snyder is one of the most memorable experiences of a lifetime. Every successful summer camp year has owed its success to its camp staff. You could be part of the success this year, and join a great tradition.

As you are applying to be a staff member, know that you are requesting a position on a winning team. As the summer progresses, you will be expected to share your ideas and suggestions to help make the camp experience come to life for the youth and adults that we serve.

Serving on staff at Camp Snyder is also a huge challenge. Over 2,000 young people and their leaders will pass through the camp gates expecting a great adventure. The camp staff is there to make their adventure the best that it can be. This can mean long hours, irksome tasks, and weighty responsibilities, but if kept in perspective, it will be fun.

While serving on the staff you are encouraged to take advantage of the recreational opportunities both at Camp Snyder and the surrounding area. Just moments away from Skyline Drive in the Shenandoah Mountains, the Appalachian Trail, Washington DC and several parks that offer BMX riding, paintball, golf and more.

Before you complete and submit this application, ponder for a few moments about why you want to be on the Camp Staff. Do you have valuable skills to offer? Are you mature enough and dedicated enough to offer cheerful service when deep inside you'd rather be in bed? Are you ready to accept responsibility for your own actions – good and bad? Are experience, fellowship, and serving others more important to you than salary? Are you ready for a highly challenging summer? Think about it! If you are ready to be a member of the camp staff, please submit this application as soon as possible.

I look forward to working with each of you as together we offer an adventurous summer program to the youth and adults of the National Capital Area Council.

Reggie Cahoon
