Unit Type_____ Unit Number_____

Unit ID Number:_____ (Get from Unit Commissioner or a District Director, if needed)

Internet Advancement

Unit Advancement reports must be made on-line. The unit should bring a printed report to the Scout Shop to purchase the advancement awards.

Internet Advancement is a Web-based system for units to submit youth member ranks and awards. It is available to traditional units and Explorer posts. If you are interested in learning more about this system, review the online help system. **Units may view and print membership rosters and membership cards from Unit Tools.**

ScoutParents

The ScoutParents mission is to develop and implement methods which encourage and empower Scouting participants to help maximize the number of dedicated Scouting youth and parents and mentors as dedicated Scouting volunteers who participate with their Scouts. A ScoutParent is a parent or adult mentor of a Scout who enthusiastically participates with their Scout and also helps other volunteers to provide the best quality program experience to all youth in every unit. A ScoutParent leads their family in obtaining the values, benefits, experiences and rewards from their family's Scouting participation, and in sharing these with others; Enjoys participating with his or her Scout and inspires their child to persevere in Scouting with their tenure, activity participation and achievement; Helps enhance youth and parent-mentor recruitment, retention, enthusiasm, commitment and participation in the passionate GREAT Family FUN of Scouting.

Tour Plans

Adult leaders can apply for tour plans electronically with an automated approval process that provides for prompt electronic delivery of approved plans. The applicant will need to provide detailed information about tour destination; dates; itinerary; participation and leadership; transportation plans (including vehicle information, driver's license numbers, and insurance coverage); and the training certifications for Youth Protection and any other certifications needed for the tour.

Service Hours Reporting

Units should report service project hours each month or as they happen.

If you have created a Service Hours account, enter your username and password to report information about a service project in which your unit/group participated. (This site was previously named Good Turn for America and valid GTFA accounts remain active.) If you are a new user select New Users Click Here, agree to the Confidentiality Statement, and register your new account. If you need a Unit ID or information on service projects, contact your local Scouting office. A service project is a special Good Turn that puts Scouting spirit into action. Anyone can become involved in a Good Turn. Reports on Eagle Scout Service Projects are

also entered through Service Hours Reporting. It is recommended that the unit person entering advancement information also enter service hours information.

BeAScout.org management

Managing Unit Map Pins on BeAScout.org

Make it EASY for New Scouting Families to Find You!
Put Your Unit on the Map!

BeAScout.org is the application that puts your Pack, Troop or Crew on the map! Potential Scouts and volunteers can go to BeAScout.org and find Scouting in their neighborhood. If your unit's pin is up to date they'll find you!

- Raise Your Pack, Troop or Crew's Profile in the Community
- Recruit More Youth and Volunteers and Help Grow Scouting
- Customize your Google 'pin' with contact information, photo, special message and even your unit Web site.

The Washington DC District's goal is to have all our unit pins updated so interested parents get the right information when they use the site, and the right person in your unit receives the inquiry. Don't wait. Follow these simple steps and update your pin today!

Cubmasters, Scoutmasters, pack and troop committee chairs:

- Sign in to MyScouting
- On the MyScouting homepage, click "BeAScout" in the Unit Tools section of the left menu
- Click "Unit Pin Management" at the top of the BeAScout Homepage
- Update your unit info!
