# Merit Badge University

We are working on a Merit Badge U. to be held at the National Emergency Training Center in Emmitsburg on Saturday May 15 (the only day the facility is available this spring). I am looking for counselors who would be willing to give another day to help the Scouts. We've got lots of space and the facilities to accommodate nearly any badge (aquatics will be difficult in the pond, but there is a pool that we can use). Past events here have been well attended 100 – 150 scouts from near and far. Lunch in the dining hall will be provided for counselors.

If you are interested in serving as a counselor, please respond with the following information:

# 2010 Special Edition
## CSP for Purchase $2 at Goshen or Cub World

**How to Qualify:**

1. Returning units to Goshen or Cub World that bring 5 more youth this year than the year before. You may combine youth that attend either Goshen or Cub World camps….

Example….a pack that send youth to cub world and a group to PMI (or any of the reservation camps), just needs to bring 5 more youth total…not to each camp….

2. New to Cub World or Goshen, did not go last year, but will need to bring 35% of the youth from your unit. Unit membership will be determined by June 30, 2010 registered youth.

3. If a unit has a special circumstance they need to request this through the district camp promotion team, program team, Key 3 (D.E., District Chairman, and District Commissioner) for an exception….the Key 3 can make the decision.

Qualifying units can purchase CSP's at camp for $2 each.

# Change in Age for Venture Scouting

The proposal to lower the Venturing age to 13 was voted on and passed by the National BSA Executive Board. The rule will be "**age 13 AND have completed the 8th grade**".

Apparently research has indicated there are a lot of freshmen with late birthdays (age 13) that were not able to join Venturing and by the time they were it was too late to get them to join. The proposal is only meant to catch the late birthdays of the Freshmen class. The growth in the program is going to be and has been in the early high school ages. (The change in age will be announced 5/1/2010).
