GENERAL INFORMATION

The Patriot Spirit Award is a Patriot District award presented by the District to recognize singularly outstanding service to youth in a District unit.

The award is available to Scouters who render service of an outstanding nature at the pack, troop, or crew level.

The award is made available annually on the basis of one per chartered unit on the recommendation of the unit Committee Chairman.

REQUIREMENTS

1. A nominee must be a registered scouter and have attended youth protection training.

2. A nominee must have rendered noteworthy service to youth in scouting, outside scouting, or both at the chartered unit level.

3. Consideration should be given to the nominee's scouting position and the corresponding opportunity to render outstanding service beyond the expectations of that scouting position at the unit level.

4. The nominee's total scouting experience, his/her service to the scouting movement and the community, and his/her service to the district should be taken into consideration.

PROCEDURE

1. The District Awards Committee will receive annually recommendations from the respective District units for award of the Patriot Spirit Award. Based on the recommendation of the unit Committee Chairman, the District Awards Committee will forward each recommendation to the District Chairman for his/her approval and presentation of the award.

2. Awards will be normally presented at the annual District Awards Dinner. Each recipient should be in attendance at the annual dinner. Special guests and members of his or her unit should also be encouraged to be present at this recognition dinner. A district officer should explain the award and its significance. The award will be presented by the District Chairman or a special guest designated by him. The award certificate should be presented at this time with appropriate congratulations. There is no uniform item which accompanies this award.
