Camp William B. Snyder Times

Volume 2 Fall 2007

Camp William B. Snyder • 6100 Antioch Road, Haymarket, VA 20171

Camp Director's Campfire Minute

As we look back at 2007, we saw growth and diversity in our summer programs. Our attendance jumped from 900 in 2006, to 1,550 in 2007. Along the way, we added Day Camp Sessions, Cub Olympics, Webelos Advancement Programs and Family Camping opportunities for everyone to enjoy. I have no doubt that attendance will grow significantly again in 2008, as word of our program continues to echo throughout the National Capital Area Council. For example, several of our three night programs begin on a Friday in 2008. This, along with the new fee structure, should help many dens, packs and families in their overall vacation schedule planning as they look ahead.

Also with weekend use of camp now underway, it is the perfect time to take out the Camp's Crystal Ball and give everyone a glimpse into the future of 2008!!!

Plans are currently underway for dynamic winter, spring and summer seassons ahead. Be it a Merit Badge Day, Parent & Son overnight, or the Cub Scout Jamboree, Camp William B. Snyder is sure to please! This edition of the Snyder Times provides detailed information about the events and activities offered.

So enjoy your 2007-08 program year with your Pack, Troop, Team or Crew and plan now to be a part of Camp William B. Snyder in 2008!!!

See you at Camp,

Eric Steele

Parent and Son Overnights

The Parent & Son overnight camping program is designed to give a Cub Scout or Webelos Scout and his adult partner the opportunity to spend a fun filled 24 hour period together at Camp William B. Snyder.

Programs are offered throughout the year, begining with the Spring weekends of April 12 & 19. Summer Parent and Son overnighters and fees are available on the reverse side of this edition of the Times.

Merit Badge Day

The Merit Badge Days at Camp Snyder have been a huge success and will continue to grow in 2008. With a large variety of badges to choose from, the Camp Snyder Merit Badge Day program has delivered on the highest level of quality counselors, while teaching in a hands-on environment that is sure to please. Look for more information on the Merit Badge days at Camp Snyder via the council website 2 months in advance of the below scheduled dates.
