_____ Kayaking

_____ Rock Climbing

_____ Primitive*

*A primitive night is a free evening where your crew is able to choose your own program and camp site. Options for program would be to visit your troop at a Base Camp, take the time to work towards your 5 peaks award, visit Reservation land marks like Chamber's Hallow and the Blue Berry Patch, as well as just relax and go fishing. If your crew can think of something they'd like to do on Reservation, ask and we'll see if we can help. Most crews find a primitive night during the week gives the crews the opportunity to build there own program and be as creative as they desire.
