Joe Davis in Hospital

Joe Davis, affectionately known as Uncle Joe to many Scouts and Scouters in Frederick County, is in Frederick Memorial Hospital. On October 8th he fell and sustained a small bleed in his brain and was hospitalized. In addition it was found that he had pneumonia. He is unable to eat or drink because the bleed has left him unable to swallow. He is getting intravenous nutrition for now and we are hoping a feeding tube can be placed for more long term nutrition. Once the bleed completely resolves, we are hopeful that his ability to swallow will return. His mind is still clear and he is hoping to "CARRY ON" a while longer. We ask that you keep this 96 year old gentleman in your prayers.

Scouting For Food

If you have not already picked up your Scouting For Food bags, please contact Ed McDonough at edward.mcdonough@amedd.army.mil or call 301-788-6628. The bags should be distributed in your area on November 1st and the donated food picked up on November 8th. Below is a sample flier that can be included in the SFF bags to help explain the effort.

SCOUTING FOR FOOD 2008

The Boy Scouts of America is conducting its annual national food drive in Frederick County in conjunction with the county food banks affiliated with the Religious Coalition

The food that you donate will be collected NEXT SATURDAY, November 8th starting at 9:00am.

Please place all food items outside on your porch so that they are visible from the street. Scouts in uniform will be driving by to pick them up.

In response to local food banks, the following items are most needed:

CANNED MEATS	**RICE**
CANNED VEGETABLES	**DRIED BEANS**
CANNED FRUITS	**INSTANT POTATOES**
CANNED SOUPS	**PEANUT BUTTER**
HEALTHY CEREALS	**BABY FOOD**
PASTA & CANNED SAUCE	**DIAPERS**

The goal is for food that provides healthy nourishment to children and the elderly.

Currently, there are 1000 families in Frederick County that depend on the food banks to keep from going hungry. That is the largest number in 20 years. The number of families using the food bank is up over 30% from last year and growing.

The situation is serious. The food banks depend on donations from people like you to feed our neighbors.

Thank you for your time, efforts and gifts. It is appreciated!

The Religious Coalition can be reached at 301-631-2670 for more information on the food bank nearest you

PLEASE GIVE!

Boy Scout
Advancement
Requirements Changes

August 1, 2008 - Effective January 1, 2009

When there is a conflict between two published lists of requirements, such as ***Boy Scout Requirements*** (BSA Publication No. 33215) and a Merit Badge Pamphlet, the requirements book should be considered to be the controlling document, until a newer edition of ***Boy Scout Requirements*** is issued.

BSA issued new editions of ALL of the merit badge pamphlets on August 1, 2008. The primary change to most of the pamphlets was the introduction of color photographs and diagrams, and new covers. The actual text and requirements, in most cases did not change from the previous editions. In some cases, however, the new editions do contain new information, and new requirements. ***If the copyright date in the new pamphlet is not 2008, the text in the pamphlet, including the requirements, did not change, only the cover and illustrations.*** In addition, two of the old pamphlets, for the **Architecture and Landscape Architecture** Merit Badges were combined into a single pamphlet, although the Merit Badges remain separate and distinct from each other. Also, one Merit Badge, **Auto Mechanics**, was renamed to **Automotive Maintenance**, (and the emblem on the badge was changed). Although a new edition of the **Lifesaving** merit badge pamphlet was issued, the requirements did not change. However, the footnote relative to alternative requirements for the Second Class and First Class rank swimming requirements was deleted.

Those Scouts working on any badges using the old requirements and who started before the new books were issued may complete the badge using the old requirements. Those starting work on the badge after the new books were issued, may, until December 31, 2008, use either the old or new requirements, at their option.

The following Merit Badges had new merit badge pamphlets issued on August 1, 2008, and have totally new or modified requirements listed in the new pamphlets. The requirements below will become official on January 1, 2009, but with their counselor's approval, Scouts may use these new requirements instead of the old ones until that date.

TWILIGHT TATTOO by Gary Waguespack

Traditions are everywhere. They're a part of almost every individual, group and community. They enable us to recall the past, help us understand the present and prepare us for the challenges of the future. Traditions and customs are particularly important to organizations where morale, leadership and caring for each other are important parts of everyday life. The U.S. Army Military District of Washington is carries forward one such tradition in Twilight Tattoo.

Twilight Tattoo is an hour-long military pageant that features Soldiers of the 3rd U.S. Infantry Regiment (The Old Guard) troop units and ceremonial units – The Old Guard Fife and Drum Corps and The U.S. Army Drill Team; The U.S. Army Band Blues jazz ensemble, vocalists from The United States Army Chorus and The U.S. Army Chorale.

Bring your family, your friends, your group, and your enthusiasm for our country to one of the 2009 year's performances! This program salutes not only the Soldiers who defend our country; it salutes you, the citizens and patriots we defend.

It is **FREE** and open to the public! NO TICKETS REQUIRED!!

Please join the U.S. Army Military District of Washington for the 2009 Twilight Tattoo season, taking place most Wednesdays from around May 6 through July 1 at 7:30 p.m. All 2009 Twilight Tattoo performances will be scheduled to take place on historic Fort Lesley J. McNair in Washington, D.C.

The experience of Twilight Tattoo is well worth it, experiencing it on the third oldest military post in the country should make for a particularly memorable and enjoyable Scout event. This event does have an associated patch.

SPIRIT OF AMERICA by Gary Waguespack

Spirit of America is the inspiring story of Soldiers past and present, generations of men and women who, for more than 230 years, in times of war and peace, have left families and friends behind to serve their country as Soldiers in the United States Army. Spirit of America is a celebration of the history, strength and spirit of our nation.

Historical accounts taken directly from Soldiers' letters and diaries infuse the history with powerful drama designed to entertain while encouraging all citizens to think about how history relates to them today

Since 1975, Spirit of America has informed, entertained and inspired citizens of all ages, presenting the history and development of the U.S. Army from its very origins through the wars, conflicts and missions that have molded the Army and the nation.

The history of our nation comes to life each September as more than 300 active duty Soldiers from the United States Army Military District of Washington perform historical reenactments, musical entertainment and precision military drill on arena stages. No shows are scheduled at this time but planning is underway to secure the Patriot Center in Washington, D.C., for 2009.

Spirit of America performances are open to the general public and admission is FREE, however, a ticket is needed to attend. There are three easy ways to obtain tickets! For ticket information, click on "Ticketing."

Web Site: http://spiritofamerica.mdw.army.mil/index.html

Spirit of America is truly an unforgettable experience that for more than 30 years has taken thousands of audience members through an action-packed timeline of American history. As you witness breathtaking ceremonial drills, historical reenactments, soul-stirring music and dramatic real life stories, Spirit of America shows how the Army's history is also our nation's history.

Webelos Scout Patrol Campout

Where

The Walkersville Watershed

When

Saturday, November 15 to Sunday November 16

Invited

All first and second year WEBELO scouts

The single most important unit in Scouting is the Scout Patrol, it is the building block of a Troop and is where young men learn to work in a group to achieve a common goal.

WEBELOS will get to be part of a functioning Scout Patrol where they will cook for themselves, bunk in a scout tent and spend quality time around the fire with their Boy Scout hosts.

For the WEBELOS program the boys will be guided thru the wilderness of the Watershed and will be able to meet many of the requirements for their Naturalist, Outdoorsman, and Forester. Materials will be available to check off the requirements.

Webelos will arrive Saturday at 0900 and will be sent to their assigned patrols to stow their equipment.

11:00 there will be an opening ceremony, after which the WEBELOS will head back to their Patrols to prepare their own lunch over a fire. After lunch the boys will head out into the wilderness, guided by the Boy Scouts in their Patrol, to explore and work on their activity pin requirements. Returning to camp between 4:30 and 5:30 WEBELOS will help their Patrols prepare a hot dinner, clean up, and enjoy time round the fire with their favorite campfire snack.

Lights out at 10:00

Sunday, after breakfast, we will have a brief service at 0900, say good-by and break camp.

Each WEBELO will need a Parent or a parent approved adult to accompany them, no more that three youth per adult. WEBELOS will sleep in tents provided by their patrols, adults will need to bring tents and are encouraged to share. Please let us know if you do not have tents available.

Cost per attendee is 12:00 for food, water, and facilities.

Deadline for registration is Election Day, November 4th.
