Scouting's Journey to Excellence

2011 Team Performance Recognition Program

Journey To Excellence, the new performance recognition program, changes the basic way we measure and recognize success in the Boy Scouts of America by moving away from measuring process and moving to measuring performance. Below provides specific information to help you understand the criteria and exactly what data will be used to determine the three levels of performance. In planning your strategy, use actual numbers from the previous year to guide your performance improvement goal planning. In each area, the team may qualify by meeting a specific standard or by showing measured improvement.

1	Total Varsity Scouts earning awards (Varsity Letter and Denali) and Scout rank advancement (Tenderfoot, Second Class, First Class, Star, Life, Eagle) since your last charter renewal date (A), divided by total Varsity Scouts at the current charter renewal date (B). Total = A / B.
2	Number of youth members on this year's recharter (C), divided by the number of youth members on last year's recharter (D), plus any additional youth members (E), minus any transfer-outs or age-outs (F). Total = (C) / (D+E-F).
3	At charter renewal time, have an increase in the number of youth members over the number of youth members on the previous year's charter renewal.
4	Have a team committee. All VC, VA, and MC (paid or multiple registration) have completed This Is Scouting, Fast Start training, and Youth Protection training or, if new leaders, complete within three months of joining.
5	Conduct regular activities in the five fields of emphasis.
6	Varsity Scouts attend any in-council or out-of-council high adventure activity (of at least three days and nights), high-adventure experience, jamboree, or serve on camp staff within the past year, divided by the Varsity Scout membership on 6/30/2011.
7	The team is separated into squads and each squad has an elected squad leader. There is an elected team captain if the team has more than one squad. The TLC meets at least four times each year. The team holds leadership training each year.
8	The team participates in at least four service activities during the year and enters them on the Journey to Excellence website. The activities may be completed as joint activities with other organizations. At least one activity must benefit the chartered organization.
9	Hold at least two activities with a troop, one of which is a parent orientation to Varsity Scouting and high-adventure meeting, and recruit new Varsity Scouts from a Boy Scout troop into the team.
10	The team has a written budget that is reviewed at all team committee meetings, and the team follows BSA policies relating to fundraising and fiscal management as found on the Unit Money-Earning Application form, the team treasurer's book, and any other publication that the council has developed for fundraising and fiscal management.
11	The team holds at least two courts of honor, where parents are invited and Varsity Scouts are recognized for Varsity awards or rank advancements. The team's program plans are reviewed with the parents.
12	Complete the team's charter renewal paperwork, including all required signatures, and submit completed forms to the council service center before the end of the charter year.
13	Complete this form, including all required signatures, and submit to the council service center with the charter renewal paperwork.

Scoring the team's performance: To determine the team's performance level, you will use the above information to determine the points earned for each of the 13 individual criteria and then add those individual point scores to determine a composite score. Count only the highest point total achieved in any one requirement. Bronze level requires earning 11 of the 13 criteria plus 700 points, Silver level requires earning the Bronze level and 1,000 points, and Gold level requires earning the Bronze level and 1,600 points.

Performance measures already being considered for inclusion in the 2012 council performance recognition program will involve collecting feedback and improved scores on customer satisfaction surveys sent to parents, youth members, and the charter partners.
