NCAC Centennial Camporee Registration Directions

Goshen Scout Reservation, Goshen, Virginia
May 29-31, 2010. That's the place to be!

Our team of volunteers has prepared exciting programs for our Boy Scouts, Venturers, Webelos and Cubs (and families). You will be challenged physically, mentally, and emotionally. We guarantee that you will come away with memories of this 100th birthday party that you will cherish for the rest of your life!

Be prepared! Because of the complexity of the programs and offerings, we want you to be fully prepared before you click the "Register" button. Read these instructions and assemble your unit information PRIOR to starting your online registration.

GENERAL INFORMATION for ALL UNITS

- **All Registrations Must be Done AS A UNIT:** A "POC" (point of contact) must be selected by each unit to handle all registrations. Any correspondence will be handled through this POC only.
    - Registration fees will be applied during the unit registration. You will have the option to pay online, and/or via mail.
- **All Fees Must be Paid In Full by December 15th** (this will assure your slots)
- **Know Which BSA District Your Unit Is Registered In:** If you are not sure which district you are in click here. (www.boyscouts-ncac.org/districts)
- **Site Assignment and Arrival/Departure times:** You will be informed of this information by the Registration Staff at least 30 days prior to the Camporee.
- **Refund Policy:** Due to the "one-time" nature of this event, extensive planning, and prepaid expenses, all payments received are final. There are no refunds, but fees are transferrable to another individual in the same registering unit (i.e. substitution of Scout for Scout, Adult for Adult, Family for Family) up until February 15, 2010. The person being substituted will be assigned into the same program selection as the person being replaced. Substitutions and additions can only be made online by the unit point of contact.
- **Information Needed from all Unit Types** (asked for during registration)
    - Unit POC: name, address, email address, and phone
    - Unit Leader: name (if serving as unit POC, also need address, email, and phone)

Troop Registration Instructions (NCAC Centennial Camporee)

Read these instructions and assemble your troop information PRIOR to starting your online registration.

IMPORTANT: All registrations are to be done AS A UNIT by the UNIT POC (point of contact).

AFTER reviewing this information and with your notes in hand, click the "Register Online" button to register your troop. Remember, you WILL be able to return to your troop's registration later to add more members and/or to make additional payments.

TROOP REGISTRATION INSTRUCTIONS for BOY SCOUTS

The orange text indicates information needed to register.

Getting Started: When you register online you'll be asked to first enter the names of your adult and Scout participants. Enter the names and click "Continue". You'll then see a status screen listing all participants. Click the "Complete Form" link beside each name. Once you've completed all "individual forms", enter your troop information by clicking on the "Complete Form" link beside the "Centennial Camporee Group Information Form".

Boy Scout Program Activities

- **Patrol Challenge:** For the Patrol Challenge each patrol must have at least 8 Scouts and a maximum of 10 per patrol. Several of the challenges require significant manpower to complete the objective and anything less than 8 would not work. If your troop cannot meet this requirement, please see the section on Patrol/Team Size below.

- **Geocaching:** Required patrol size is also 8-10 Scouts. As with the Patrol Challenge, patrols with less than 8 members can not participate and a patrol can have no more than 10 members. If your troop cannot meet this requirement, please see the section on Patrol /Team Size below.

- **Iron Man Competition:**
  - **Individual**. There will be two individual Iron Man events, one that is very tough and another not so tough. Each will be a combination of canoeing, shooting, rowing, biking and running. An individual may enter either individual event, but not both events. Individuals selecting this event may not participate in the team event.
  - **Relay.** There will also be two relay team Iron Man events, again one tough and one not so tough. In this event, each member of the relay team will conduct a leg of the race that includes canoeing, running, biking, shooting and rowing. A team may enter either relay event, but not both events. Team members may not participate in the individual events. For the team event to work there must be five members on the team. If your troop cannot meet the five man team requirement, please see the section on "Patrol/Team Size" below.
  - Any Scout involved in the canoeing or rowing must be qualified as a BSA swimmer.

- **Patrol/Team Size:** The Patrol Challenge, Geocaching and the Iron Man Team Relay all require a specific number of boys in order for the patrol to participate. These are competition events and a number of the segments cannot be done with less than 8 members. If you will have less Scouts attending, please check with your district commissioner or at your district Roundtable to see if there are other units that you can combine forces with. If you have more than 10, encourage them to participate in the Advancement midway, the individual Iron Man Relay or check with your District Commissioner or Roundtable staff regarding working with boys from another unit.

- **Scout Advancement Midway:** The Scout Advancement Midway will allow newer Scouts to work on many of the requirements from Scout through 1st Class. The minimum is two Scouts from a unit who will be working on similar requirements so that we can maintain the Scout "buddy system". Scouts will be able to work on these activities for the entire day. We strongly recommend this option for Scouts who have recently crossed over from Webelos.

- If you fail to reconcile your problems at the district level, you may email the registrar with your contact information (troop number, district, POC (unit point of contact), phone number, and email) event(s) involved and the number of Scouts who have registered. This information will then be shared with other units in the same situation. It is your responsibility to make the contact with units you may wish to pair up with. If you are combining forces with another unit, notify the Camporee registrar and we will attempt to camp cooperating units close together. The email address for his purpose is NCAC100Registrar@Comcast.net.

- **Scouts Participating in Program:** To reiterate, a Scout can participate in ONLY ONE of these four activities: Patrol Challenge, Geocaching, Iron Man, or Scout Advancement Midway. (**Slots will not be guaranteed until** full fees are paid) The Patrol Challenge and the Geocaching REQUIRE 8-10 SCOUTS PER PATROL. The Iron Man Relay teams MUST HAVE 5-MAN TEAMS.

Scouters and Other Adults Attending
At least half of your adults must agree to assist by working at the program stations on Sunday.
[enter their names, emails, phone numbers and interests.]

Camping Sites: Sites will be assigned prior to the Camporee. Members of the Commissioner staff will be available to help you locate your site. Units must bring their own tents. Because of the large anticipated participation, sites will be of limited size. Some units will be assigned to existing Goshen troop sites with the platforms in place. Please do not move the platforms as you will need to place some of your tents on them, as well as around them because space will be tight.

ADA Access: While our goal is to make this Camporee as accessible as possible for all Scouts, everyone must realize that many parts of the program are held in open fields or in heavily wooded, hilly areas. If you have ADA Scouts in your unit or if your unit is a unit for ADA Scouts:
[enter details on the type of special access that may be needed.]

Religious Services: Services are being planned for Saturday evening. To the extent possible Religious Services will be provided for faith groups based on registrations and expressed interest. For faiths where the indicated level of interest is limited, we may request that someone in that group provide the appropriate leadership.
Do you anticipate that members of your unit will participate in Religious Services?
[enter __ Yes __ No]

- If YES, in order to better plan for these services please provide an estimate of the number of people (youth and adult) from your unit who might attend based on denomination: *[enter Protestant [ ]; Catholic [ ]; Jewish [ ]; LDS [ ]; Muslim [ ]; Buddhist [ ]; Other ___ [ ]]*

Transportation: Troops will be responsible for getting to Goshen on their own. All cars will be parked in a central lot and participants will be bused to their campsite. We are planning for the movement of over 5,000 Scouts from the parking lot to the camps. In order to facilitate a smooth flow we need to space the arrival of units out throughout the day on Saturday. Prior to arrival you will be given an arrival time. If you miss this time, we will transport you on space available basis. Please check your desired arrival time below. Departure times on Monday will be in the same sequence as your arrival times. There will be program activities starting early afternoon for the boys who arrive Saturday morning and they will be repeated Monday morning for the units that will not be leaving until Monday afternoon. Desired arrival times will not be confirmed until AFTER final payment is made.

[enter Saturday Morning [ ] 8:00 – 9:00 am [ ] 9 – 10 am [ ] 10 – 11 am [ ] 11 – Noon]
[enter Saturday Afternoon [ ] 1-2 pm [ ] 2 – 3 pm [ ] 3 - 4 pm [ ] 4 – 5 pm]
[enter Mode of transportation [ ] Cars/vans/SUV's [ ] Bus [ ] ADA Vehicle]

Trailers: You are encouraged to travel light but for your unit needs a trailer or truck to haul your gear, you will be permitted to take the trailer or truck to the camp, unload it and return it to the parking area within one hour. Does your unit require a permit for a trailer or a truck *[enter [ ] Yes [ ] No]*

Meals: Each unit is responsible for their own food from arrival until departure. The lunch break on Sunday is only an hour, so you may request a lunch at an additional cost of $5 each - but it must be ordered and paid for in advance. An evening meal may also be requested in advance at a cost of $7.

[enter the number of each meal you wish to order: [ ] Lunch Sunday @ $5 [ ] Dinner Sunday @ $7]

Webelos Crossovers: Webelos who crossover during the spring from Packs to Troops may be added through **April 15** if the troop is already registered for the Centennial Camporee. It is strongly recommended that these new Scouts participate in the Scout Midway. The full fee must be paid when they are added and there will be no refunds. If the troop is NOT registered, Webelos crossing over into that troop may NOT attend the Camporee. Webelos should make contact with prospective troops as early as possible to make this happen.

Payment:

Fees due are as follows:
Scouts: __ @ $25 each
Adults: __ @ $25 each
Lunch Sunday: __ @ $5 each
Dinner Sunday: __ @ $7 each
