

COUNTDOWN TO CENTENNIAL CAMPOREE AT GOSHEN SCOUT RESERVATION May 29-31, 2010

VOLUME 1, ISSUE 4

May 22, 2010

Boy Scout Troops

Can you believe it? We are only one week away from the largest camporee ever held within the National Capital Area Council! We are going to have **FUN!** Here are the last few items you'll want to be aware of (to include another opportunity to shoot arrows or a rifle and swim or boat) as you make your final preparations for Goshen:

Boy Scout Program (Everyone):

If you haven't already done so, please download the *Boy Scout Participant Guide* at: <http://www.boyscouts-ncac.org>. Also, please note that "Countdown" issues 1-4 are also available at this site.

If you did not purchase a Sunday box lunch, please remember to pack and take your lunch with you for Sunday's program activities. There is not much time in your schedule to return to camp to fix a meal. That goes for Scouts and Scouters alike, especially if you are assisting with program activities or attending training. Thanks, you'll be happy you did. You'll find a water bottle and a camp-stool or small lawn chair (Scouters) valuable as well ;-).

Scoutmaster Merit Badge Program (for you Scouters) Program Service Track

We cannot begin to say, "Thanks!" enough to all of you who volunteered to assist with the multitude of activities we have planned for your Scouts. We simply could not put on the quality program for the quantity of Scouts we have registered without your help. We truly appreciate your stepping up to the plate to help.

We have had an overwhelming response to our request for volunteers to assist in running the various programs. THANKS! At this stage, not everyone has been assigned to an activity. Final assignments to fill those "last minute" needs will be announced at the leaders' meetings at Olmsted and Bowman sub-camps Saturday evening after the sub-camp campfires. Nevertheless, **everyone should take a moment to review the rosters below** (this *Countdown to Centennial Camporee #4* is also available for download from the NCAC Centennial Camporee webpage) **to see if you have already been assigned to an activity or not.** Your activity team leader will have contacted most, if not all, regarding your assignment by the time you get this email.

These rosters list only those who have been assigned to an activity. However, if an individual in your unit finds they cannot fulfill the assignment, your unit is responsible for assigning an alternate and letting them know what their assignment is so they will know where and when to meet. All volunteer staff is expected to report:

For Saturday's waterfront and range programs, report to your waterfront or range no later than 12:30 pm.

For Sunday's program activities, report to the Snyder Field HQ (you can't miss the sign ;-) no later than 7:30 am.

For Monday's Olmsted waterfront and range activities, report to the waterfront or range no later than 8:30 am.

NCAC Centennial Camporee Optional Aquatics Waterfront Positions

Buddy tag issuer (volunteer staff)

Issues blank buddy tags to all participants with white bracelets before they enter the waterfront area. Ensures the buddy tags are legibly completed with participant name on the front, unit type and number on the back. NOTE – only participants classified as BSA swimmers are allowed to participate at the waterfront. Therefore anyone with a completed buddy tag is assumed to be a swimmer. No colors will be used on the front of the buddy tag.

Gate monitor (volunteer staff)

Watches the single entry point to the waterfront. Ensures that no one leaves the area without their buddy tag. Ensures that no one enters the area without a buddy tag and that they proceed directly to the buddy board from the entry gate.

Buddy board monitor (volunteer staff)

Watches the swimming and/or boating buddy board at all times. Ensures that tags are placed and removed in pairs on the board. Participates in buddy checks by announcing the number of swimmer pairs when queried by supervisor.

Lookout (volunteer staff)

Positioned in the waterfront lookout tower. The lookout continuously monitors the conduct of the swim, identifies any departures from Safe Swim Defense guidelines, alerts rescue personnel as needed, and monitors the weather and environment.

Rescue Personnel – Guards (volunteer staff)

At least two rescue personnel will be on duty on the dock with additional numbers to maintain a ratio to one rescue personnel to every 10 participants. Instruction, rescue equipment and areas of responsibility will be assigned/provided by the Aquatics Director. At least two guard personnel with BSA Lifeguard training will be used at all times.

Boating Supervisor (volunteer staff)

Supervises the issuing of canoes to boating participants. Ensures that participants are properly equipped with lifejackets and paddles. Provides overall supervision to the boating activity.

Guard boat (volunteer staff)

Manned by a rower and rescuer. Positioned on the water for emergency response.

Aquatics Director (full-time staff)

Provides overall supervision to the waterfront for optional aquatics activities on Saturday and Monday. Assigns volunteers to positions as needed. Has BSA Aquatics Instructor training. Is responsible for fun and safe aquatics activities per BSA guidelines.

Camp Olmsted Waterfront Aquatics Director – Rachael Johnson 540-460-1160

The Intro to Outdoor Leaders Skills for Scouters track contains several of the more popular, one-hour sessions from the BSA Introduction to Outdoor Leader Skills (IOLS) course. However, the full 3-day, 2-night IOLS course is NOT being offered during the Centennial Camporee. We apologize for any confusion.

Sessions being offered as part of the Scoutmaster Merit Badge Training Track are standard BSA courses and participants will receive a "trained card" upon completion of the session. All Scoutmaster Merit Badge Training Track courses will take place on Snyder Field.

These include:

- Scoutmaster and Assistant Scoutmaster Specific Training (S24)
- Health Safety and Risk Management (H49)
- Merit Badge Counselor Orientation (D76)

Trek Safely (S76)
 Leave No Trace (D74)

Optional Saturday Programs (for your Scouts):

What a great demand for the Saturday Optional Aquatics and Shooting Sports Program! Remember, though, that it is the unit's responsibility to ensure your Scouts get to the correct waterfront or range and are there to begin their activity on time. Once a time slot is missed, it is lost. Slots are listed by unit number and the number of slots you have; i.e., "BW2 T-198 x6" means Bowman Swimming from 1:30pm until 2:00 pm for 6 Scouts from Troop 198. Here are the assignments based on a "first-come, first-served" policy:

For all units assigned to the shotgun ranges, please remember we'll collect your check for \$2 per shooter, payable to "NCAC-BSA" upon camporee check-in. Your Welcome Packet will contain a "ticket" for each shooter, which must subsequently be presented at the range.

For all shooting sports (archery, rifle and shotgun), please be at the range no later than 15 minutes prior to your time slot.

As you can see from the above charts, we still have a few remaining slots (highlighted in yellow). If you would like for your Scouts to take advantage of these, please call Scott Smith (571-345-4697) no later than May 26th at 8:00 pm. No further registrations will be permitted after that time. First come, first served.

Optional Monday Programs (for your Scouts):

If you cannot or could not get a slot for Saturday's Optional Programs, we have decided to offer archery, rifle, swimming and boating on Monday, May 31st from 9 am until noon to help space out the departures and answer your requests for more program. This will help mitigate the departing traffic congestion and give your Scouts one last chance to partake of these exciting opportunities. We will use the following schedule for Monday Optional Aquatics and Shooting (both only at Olmsted, but open to all) and sign up will be by phone call directly to Scott Smith (571-345-4697) or person-to-person contact no later than Saturday, 8:00 pm, May 29th. No email applications accepted. Please be prepared to provide the exact number of Scouts and the slot ID using the following chart:

Baden-Powell IRONMAN Challenge

There have been a lot of questions regarding the Baden-Powell IRONMAN Challenge, so here is some more guidance:

COMPETITION EQUIPMENT/GEAR: Competitors do not need to bring any equipment or gear to participate in IRONMAN. Of course, you are responsible for desired athletic clothing and footwear. Everything else you will need to compete will be provided to include watercraft, paddles, personal flotation devices (PFDs), mountain bikes, wrist-rockets, eye protection goggles and cycling helmets. Competitors can bring your personal cycling helmets (if you so choose) for the Bike Leg of the course but this will need to be staged at the Bike Mounting Point (at Camp Bowman) by the start of your heat.

AQUATICS CERTIFICATION: Besides Troop Certification of BSA Swimmer Qualification, Safe Swim Defense (SSD) and Safety Afloat (SA) are required BSA courses for participation in the Canoe and Kayak Legs of IRONMAN. SSD and SA on-line courses for certification can be completed using the NCAC Training Webpage. It's quick, it's easy and you get a certification document. Here's the link: <http://www.boyscouts-ncac.org/openrosters/ViewOrgPageLink.asp?LinkKey=16152&orgkey=1934>

Provide this at unit Registration Check-in upon arrival and you'll receive Swimmer Qualification Bracelets for all Scouts participating in Individual and Canoe/Kayak Leg competitions.

IRONMAN PACKET: At unit Registration Check-in (at Camps Bowman or Olmsted) you will receive a Troop specific IRONMAN Packet with the following B-P IRONMAN Challenge items:

1. Instruction Sheet with essential information for all competitors.
2. Heat Schedule Starts for all races spread among 10 Heats (#1: 8:15 AM – #10: 4:00 PM).
3. Heat Assignments for Troop members competing in all Individual and Relay Team (5-Mile and 3-Mile) races.
4. Scorecards (to be filled out and turned in at Race Day check-in).
5. Assigned Numbered Bibs for each competitor (with small safety pins).
6. Swimmer Qualification Bracelets (must be worn at competition).

IRONMAN FINAL COURSE: The following is the final configuration of the IRONMAN Course for Individual and Relay Team competitions for 5-Mile and 3-Mile Races.

1. **Leg #1 – Canoe for Odd Numbered Heats; Kayak for Even Numbered Heats:** Start at Camp Olmsted Waterfront and paddle to Camp Bowman Waterfront (1/3 Mile). SAFETY: Wear PFD.
2. **Leg #2 – Bike:** From Camp Bowman Waterfront, run up trail to Admin Building, mount bike, travel up perimeter road toward Camp PMI to turn-around point, return to Admin Building, dismount bike and run to down trail to beach. SAFETY: Wear Cycling Helmet.
3. **Leg #3 – Kayak for Odd Numbered Heats; Canoe for Even Numbered Heats:** From Camp Bowman Waterfront paddle to Camp Olmsted Waterfront (1/3 Mile). SAFETY: Wear PFD.
4. **Leg #4 – Shooter:** Using wrist-rocket hit 10 stationary targets (5-Mile Race) or 5 stationary targets (3-Mile Race). SAFETY: Wear Eye-Protection Goggles.
5. **Leg #5 – Runner:** Run up Camp Olmsted's Chapel Hill then snake through camp roads/trails for 2 miles (5-Mile Race) or 1 mile (3-Mile Race), then run down Chapel Hill to Finish Line and Recording Chute near beach.

WATER POINTS: Potable water with paper cups will be available in the vicinity of the Camp Bowman Admin Building and the Camp Olmsted Waterfront during the race. Be advised that IRONMAN competitors will not carry a canteen or water bottle on their person or on watercraft or bike while they are actually competing.

One final note – Be Prepared, Have Fun and MEET THE CHALLENGE.

Saturday Sub-Camp Campfires:

Baden-Powell says, "Only you can make campfires happen!" In addition to the massive arena show on Sunday we as scouts have the opportunity to put on high energy, high volume, high fun campfires of our very own. But we can't do this without your help. We need:

- * Your Skits: to entertain your fellow scouts
- * Your Songs: to enliven the night
- * Your Cheers: to build brotherhood
- * Your Help: in building, lighting, and tending the fires
- * Your Equipment: we need you to bring fire pans, rakes, shovels, and buckets
- * Your Enthusiasm: This is a once in a lifetime event!

There will be many campfire sites located around the Goshen reservation to accommodate our great numbers. The campfires are scheduled to start promptly at 8:00 pm and we recommend that you arrive between 7:30pm and 7:45pm so that you wont miss a thing.

You will be contacted at your campsite on Saturday afternoon by a campfire coordinator. Please be ready with your contribution: skit, song, cheer, or service. Units willing to build and tend the campfires will be directed to the campfire site to gather wood and set up. We also encourage the scouts to help extinguish these fires at the end, your help is greatly appreciated.

Please send any early submissions to Roger Brow at bowiescouts@verizon.net and get ready for the Greatest Show at Goshen!

A Final Note:

Come prepared to have the time of your life as we celebrate the 100th Anniversary of Scouting in the United States of America. We are delighted you have chosen to spend your time at Goshen Scout Reservation to join with fellow Scouts and Scouters in fellowship and good old fashion fun! See you soon.

Yours in Scouting,

John H Montgomery
